

FTZs:

INCREASING U.S. COMPETITIVENESS FOR THE SEMICONDUCTOR INDUSTRY

Learn how foreign-trade zone designation can help your business be globally competitive through the improvement of its inventory control systems and reduction of costs relating to the importation process.

Join us virtually for an overview of the Foreign-Trade Zone program benefits and application process.

WHO SHOULD ATTEND:

Companies utilizing imported materials in manufacturing, warehousing and distribution as well as companies importing finished products for warehousing and distribution in all industries including semiconductors, bio/pharma, automotive, aerospace, electronics, medical equipment, apparel/footwear, solar and more.

Cost: Free

To RSVP, please email denise.yanez@phoenix.gov or (602) 534-2445 and a meeting link will be provided.
